## Character Dossier: SIENNA HART

### Name

Sienna Hart.

### Age

34 years old.

### Origin & Background

- **Origin:** Nottinghamshire, England. She moved to London for university.
- **Heritage:** Mixed-race, with a father of dual heritage and an English mother.
- **Occupation:** Pharmaceutical industry (Research/Corporate role, works from home). She studied biomedical science at Kingston University.
- **Residence:** NW7, North West London, where she shares a home with Aegis Prime and Nova.
- **Backstory:** She is the fiancée of Aegis Prime (Kwame Jaye) and a grounding presence in the family. She is described as fiercely loyal, independent, and intelligent, possessing both warmth and strength. Despite the tragic loss of her father to cancer, she remains resilient and channels her discipline into her career and family life.

### Status & Awareness

- **Civilian:** She is a civilian who is currently unaware of Shadow Kin's vigilante activities.
- **Arc:** Her character arc involves her beginning to suspect something is off, her suspicions growing, and eventually uncovering fragments of Aegis's secret life. She is poised to become an emotionally pivotal figure and a silent ally, bridging the civilian and vigilante worlds.

### Personality & Traits

- **Strength in Softness:** She is empathetic, emotionally intelligent, nurturing, yet firm. She provides a softer, more grounded perspective.
- **Modern Feminine Edge:** She is fashion-forward, witty, and enjoys reality TV, music, and travel. Her fashion sense is refined yet modern, comfortable, and trend-savvy.
- **Bridge Between Worlds:** She shares a strong connection with Nova, often teaming up playfully against Aegis. She is Nova's confidante in civilian life.

### Role in Shadow Kin Universe

- **Civilian Anchor:** She provides emotional grounding for Aegis and Nova. Her love and influence prevent Aegis from losing himself in the shadows.
- **Narrative Contrast:** Her grounded, everyday world highlights the duality of Aegis' and Nova's secret lives.

- **Unwitting Guardian:** Though unaware of their secret, she often influences decisions and perspectives that shape Aegis' sense of justice and family balance. She can also find herself unknowingly entangled in crises, forcing Aegis to split his focus.

## Visual Motifs

- **Color Palette:** Often associated with soft neutrals (beige, white, cream, muted blues).
- **Iconography:** A heart-shape motif is subtly integrated into her design elements, symbolizing her role as the heart of the family.
- **Illustrated Presence:** Portrayed in stylish, confident, semi-formal attire (chic modern casuals), always grounded but with understated elegance. She drives a factory-spec black luxury SUV.

## Family & Connections

- **Fiancée:** Engaged to Aegis Prime.
- **Close Bond:** Shares a close bond with Nova, her stepdaughter, sharing interests in music, fashion, and reality TV.
- **Extended Family:** Maintains close ties with her mother in Nottingham and her older brother in Kent. Her brother has four children.
